MEMORANDUM FOR: Historical Officer for the DD/M&S

SUBJECT : OMS-8, The Role of Medicine in Clandestine Operations, 1947-1965

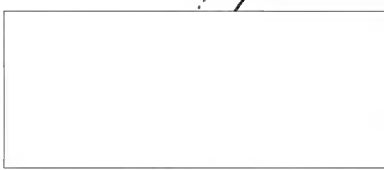

Jack:

We have reviewed the history of The Role of Medicine in Clandestine Operations, 1947-1965 and find it excellent. Except for two or three minor suggestions I believe it is ready for printing. In several instances reference is made to the Clandestine Services. I believe it should be referred to as the Clandestine Service, or was it after 1965 that the singular version was adopted. On page 76, the phrase "EE--formerly--SE" is not technically correct; and on page 116, please note the suggestion made in reference to CSHP Number for SOD history.

<p>Jack:</p> <p>Here is the Operations Division history. [redacted] mentioned that he had recommended to your staff that the typographical differences be waived. I second this. We do not have that many typing resources available.</p> <p style="text-align: right;">000217</p>
